

# SINGING THE LONGINGS

*I sing the longing, spun in my living faith,  
Daily I wander through fields of grace...  
Singing I bow and rise. Blossom and bread... (C. McDade)*

## A GATHERING FOR WOMEN WITH CAROLYN McDADE

*A Time to Circle and Sing Our Lives and Our Times...  
A Time to Touch What Matters...  
A Time to Sing for the Healing of our Planet...*

**This is an opportunity** for women to come together and create a holy space...  
through song, reflection, and ritualized moments in community with other women,  
we honour our own lives and the lives of all beings with whom we share this earth.

**This is an invitation** to let story and song move you ...  
into just community and right relation with all creation,  
as together we seek to live an alternative and sustainable vision.

Feminist, poet, singer, composer, **CAROLYN McDADE**, has for more than 30 years  
gathered women to sing their longings for the transformation of the world.
